

March 10, 2020

Dear Church Family,

We want to thank you for your ongoing input and cooperation as we continue to navigate what it means to stay safe and healthy amid the COVID-19 epidemic. While there is more and more information coming out regularly about the virus and its spread, the bottom line still remains:

1. If you are feeling ill, PLEASE stay home until you are feeling better.
2. If you are a part of the most vulnerable demographic (over the age of 60 and/or immune-compromised), please consider taking extra precautions to stay well.

At this point, we plan to continue with worship on Sunday, followed by the corned beef lunch. Hand sanitizer will be in ready supply, and we will refrain from shaking hands and passing the red attendance folders. Further, we will continue with the practice of bringing our offerings forward so as to limit as much hand-to-hand contact as possible. Finally, we are working hard on making worship services streamable following worship itself (available Monday or Tuesday the week following). We will keep you posted as those plans solidify.

Please feel free to reach out to us should you have questions or further concerns.

Grace and Peace -

The Co-pastors
