

March 12, 2020

Dear Church -

In light of the precautions being taken across the city and the nation at this time, we have decided to postpone the Corned Beef and Cabbage Lunch, which was to have taken place this coming Sunday, until further notice. We are sorry for any inconvenience or disappointment this may cause, and want you to know we fully plan to hold the lunch again when the fear of illness has lessened significantly.

Thank you for understanding, and take good care,

NPCC Staff
